

AJR 66, the Republican sponsored anti-marriage amendment to the Wisconsin State Constitution is going to be put to a vote on Tuesday or Wednesday in the State Senate.

Once again, I ask all of my friends to contact your state senator and implore them to vote no on this important amendment!

Here are some links you can use to locate your senator's phone number or address, or send an email to them:

To make a phone call, look up his or her name and number here:
