

Over at MickeyMouse.com, Rick Klien reports on Matthew Jaffe and Julia Bain reporting on Bob Scheiffer getting this cutting comment out of Sen. Evan Bayh on Face the Nation: "We are not all Georgians now," [he said on CBS' "Face the Nation,"](#) per ABC's Matthew Jaffe and Julia Bain. "If we were Georgians and the Russians were invading our country and killing our people, we'd be in a state of war. And clearly, that's not what we want. And John sometimes, he's a good person, but he's a little bit given to this kind of bellicose rhetoric, which has a tendency to inflame conflicts rather than to diffuse them, and that's not what you want in a president."
