

Tell me about yourself  
I said.  
She said  
I dream in poems.  
When I asked  
what she meant  
she asked  
Do you dream in color  
Or black and white?  
I dream in color  
I said.  
I dream in poems  
she replied.  
And  
that  
was  
that.  
I asked  
Do you have any pets.  
A dog;  
a dog  
and  
a cat.  
What are their names?  
I name all my pets the same  
she said.  
Oh yes?  
I name them after myself.  
There are fewer to keep track of then.

Fewer names

less confusion.

What does one of your dreams  
look like

she asked.

What does one of yours  
sound like

I asked

in reply.
