

This just in:

Controversial graffiti artist and Mubarak's friend Banksy to act as mediator."The embattled president of Egypt has confirmed through a Facebook entry and through the state-run Nile TV that he is willing to open his door to negotiations with the leaders of the rival parties under two conditions.

"First is for the immediate halt of the street protests in the city of Cairo and Alexandria and second is for President Mubarak's friend and a popular graffiti artists, Banksy" ... to mediate between the parties.
