Everybody
IS
TALKING
ABOUT
YOUR
PARAN.OIA

The image shows a sidewalk scene with a chalkboard sign in the foreground. The sign has a wooden frame and contains the text 'Everybody IS TALKING ABOUT YOUR PARAN.OIA' written in white chalk. To the left of the sign are several red plastic chairs and tables. In the background, there are wooden planters with greenery, a black trash can, and a person walking. The ground is paved with grey stones, and a red metal grate is visible in the bottom right corner.
